How To Look Up Information on a Parcel

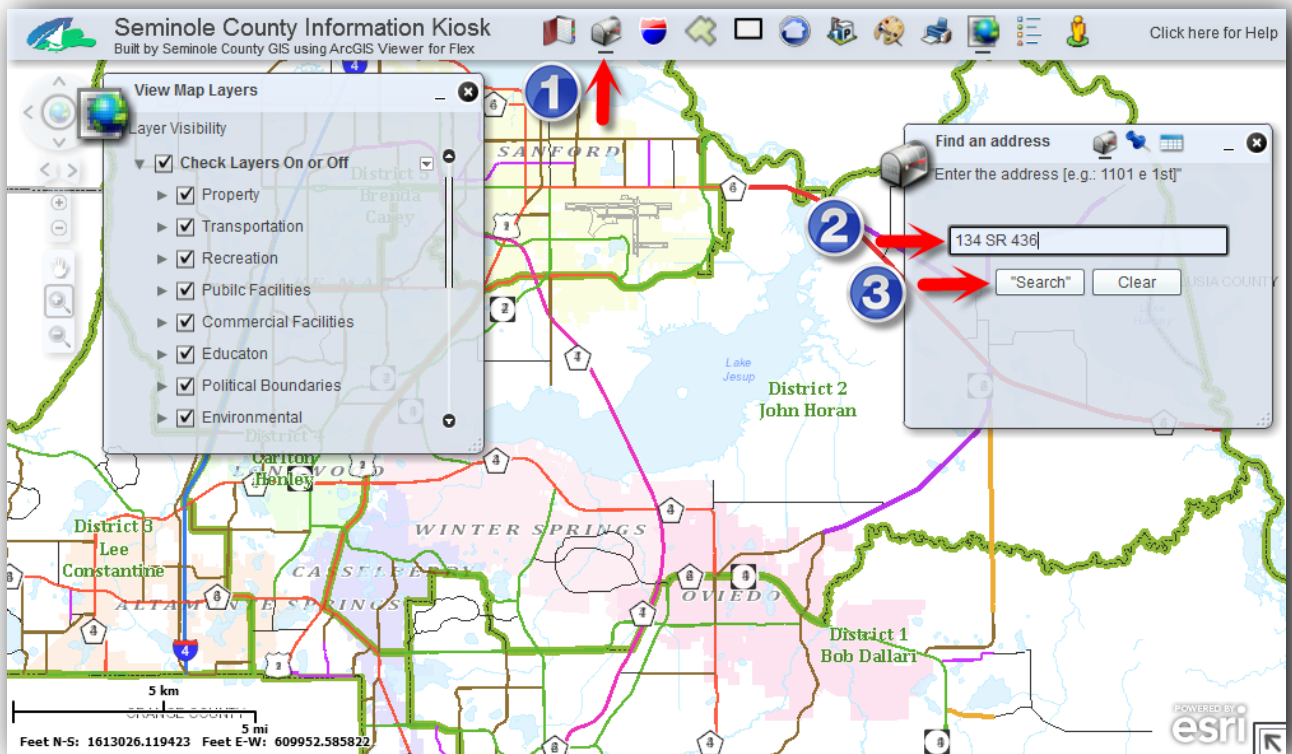

**SEMINOLE COUNTY
INFORMATION KIOSK**

How to look up Information on the Kiosk

Access the Information Kiosk using this [link](#).

1. Once inside the Kiosk Map, click the Mail Box to select a parcel by property Address.
2. Enter the property address e.g. *1101 E 1st*
3. Click the “Search” button.

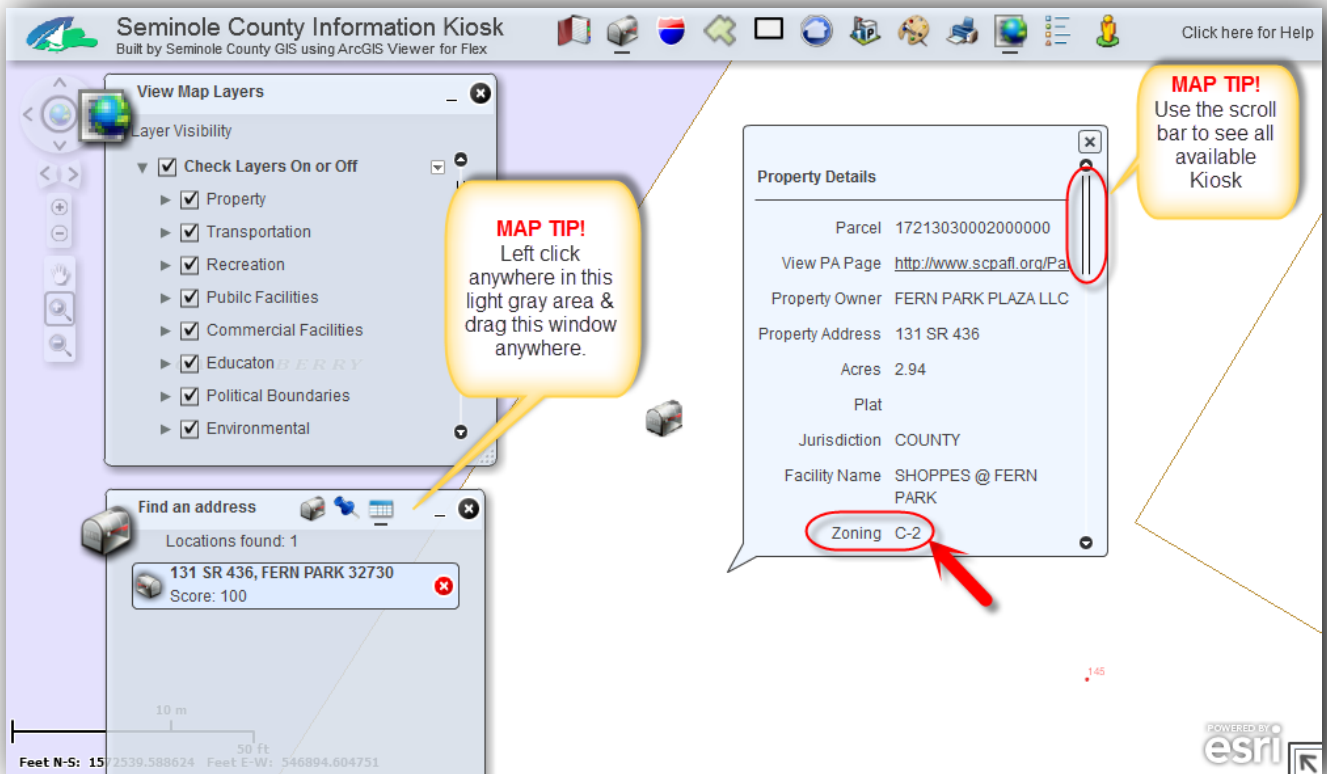

In the Kiosk, you can also search by Parcel simply by closing the address window that opens by default and clicking on the light green parcel shape in the choices shown along the top of the window.

How to look up Information on the Kiosk

1. The map will zoom you to that parcel. **Click anywhere on that parcel.**
2. Use the **scroll bars** to move through the available information in the Kiosk for that address.
3. In the example below, this address has a zoning of C-2 Commercial.

4. Alternately, you can zoom to your location and click on parcels to see information about them
5. Search other information such as HOA, Facilities or Subdivisions using the various tools
6. You can **check on the various layers** to see them
